

JAN INTAKE · SEPTEMBER 2026 – JANUARY 2027

Study in Austria

42 public universities and Fachhochschulen, standard non-EU tuition around €727/semester, and broad English-taught Master's availability across the country.

EU / Schengen

42 Public Institutions

Mostly Affordable Tuition

4–8 Week Visa Timeline

English-Taught Master's

Austria at a Glance

TUITION (NON-EU, UNIVERSITIES)

€726.72 / semester (standard)

Plus a small ÖH student-union fee (€22.70–€26.20) each semester — Fachhochschulen (FH) vary, often €3,000+/semester for non-EU

APPLICATION / REGISTRATION FEE

€25.20 (ÖH fee)

Charged at initial registration and again each semester at most universities

PROOF OF FUNDS (VISA)

~€11,000 / year

Required for non-EU student visa applications

PROCESSING TIME

4–8 weeks official

Unofficial student-forum reports suggest 6–10 weeks for non-EU once visa processing is included — treat as an estimate

INSTITUTIONS COVERED

42 (22 Universities + 21 FH)

Fachhochschulen (FH) are applied-sciences institutions, distinct from research universities

LANGUAGE

B2 English / C1 German common

Bachelor's programmes are mostly German-taught; Master's has much broader English-taught availability

Visa Process & Application Timing

VISA & FINANCIAL PROOF

- Non-EU applicants must show proof of financial resources of approximately **€11,000/year**
- Official processing estimate: **4–8 weeks** after submission
- Student-forum reports (unofficial) suggest 6–10 weeks once document verification and visa processing are both included — present as an estimate only

LANGUAGE STRATEGY

- Bachelor's programmes are predominantly **German-taught** — genuinely English-taught Bachelor's options are rare (University of Vienna's Data Science BSc, launching 2025/26, is a notable exception)
- Master's level has far broader English-taught availability across most universities
- Students without German should generally be guided toward English-taught Master's programmes, similar to Germany

COUNSELOR NOTE

Medicine, Psychology, and some competitive Master's programmes use entrance exams or selection procedures (e.g. MedAT for medicine) — don't present admission as guaranteed by meeting the base academic requirement alone for these specific programs.

Deadlines, Eligibility & Gap/Age Policy

APPLICATION DEADLINES — SPRING/AUTUMN 2027

- University of Vienna — Summer 2027: applications 16 Nov 2026 – 5 Feb 2027; Winter 2027/28 opens ~22 Jun 2027 (expected).
- TU Wien — Summer 2027: applications 7 Jan – 5 Feb 2027, final deadline 31 Mar 2027.
- University of Innsbruck — Summer 2027 window: 11 Jan – 5 Feb 2027 (2025 saw a non-EEA extension to 15 Oct for Winter 2025/26 — extensions do happen case-by-case).

GRADE & SUBJECT-MARK ELIGIBILITY

- Grade 12 (new system): A or B with $\geq 80\%$ and 'first division'; old system: A1 or A with $\geq 70\%$.
- IB Diploma: minimum 24/45 points across 6 subjects, Mathematics included, 3 subjects at HL.
- TU Wien/engineering programmes want Mathematics and Physics on the transcript; CS and Architecture add a selection step.

PAKISTAN-SPECIFIC REQUIREMENTS

- VFS Global competence check mandatory from Winter 2026/27 at University of Vienna, TU Graz, and Montanuniversität Leoben.
- Full diplomatic legalisation plus sworn German/English translation required on all documents.
- HSC alone is not sufficient for direct Bachelor's entry at University of Vienna — 2 years of recognised university study is also required.

STUDY GAP & AGE POLICY

No official gap-year limit found in Austrian law or university policy (claims of a fixed '5-year' rule are unverified consultancy estimates, not official). No upper age limit at public universities — minimum entry age is 16–17. Under-30 applicants generally see faster visa approval.

FEE RANGE CROSS-CHECK

Public: €726.72/semester + €25.20 student-union fee (non-EU). Private: €9,000–11,620/semester (Modul University), €5,399–8,569/semester (Sigmund Freud University).
Application fee: €25.20 (ÖH).

Sourced from the Sep 2026 cross-country compilation (Applications deadlines, eligibility update, Additional institutes Parts C/D, and the Gap Acceptance & Age Limitations report). Cross-check dates and thresholds directly with the institution before quoting to a client — several deadlines shown here are Pakistan-specific and differ from the general non-EU date.

University-Specific Eligibility Requirements

Quote Carefully — Corrections & Safeguards

CORRECTIONS & SAFEGUARDS — DO NOT OVERSTATE

- Bachelor's-level English-taught programs are genuinely rare in Austria — do not imply broad English-medium Bachelor's availability; it's mainly a Master's-level option.
- Standard tuition (€726.72/semester) applies at most public universities, but Fachhochschulen (FH) tuition varies significantly and can run €3,000+/semester for non-EU — always confirm per institution before quoting.
- 7 institutions in this deck (FH Gesundheitsberufe OÖ, FH Militärwissenschaften, FHG Zentrum für Gesundheitsberufe Tirol, FHW Wien, Fachhochschule des bfi Wien, Ferdinand Porsche FernFH...) have no English-taught programme data yet in the source research — they appear in the overview table but not in the course pages; do not assume no data means no programs, just not yet researched.
- Turnaround-time estimates beyond the official 4–8 weeks come from student forums (Reddit, Discord), not official sources — flag clearly as unofficial if quoted.
- Medicine, Psychology and other selective programs require entrance exams/selection — don't present admission as guaranteed.
