PAKISTAN-SPECIFIC FEE ADVANTAGE

French Community: Pakistan is an exempt country (ARES Circular No. 2025-001)

Pakistani nationals at French Community institutions (UCLouvain, ULB, Liège, Namur, Saint-Louis, ICHEC, EPHEC, HEPL) may qualify for the standard EU-equivalent tuition (~€835–€1,194/year) instead of the non-EU surcharged rate (~€5,010–€5,369/year). Always confirm current exemption status with the institution before quoting — circulars can change year to year.

TUITION — FLEMISH COMMUNITY

€2,300–€9,500/year (non-EU)

KU Leuven, Ghent, Antwerp, VUB, Hasselt — no broad exemption for non-EU students

TUITION — FRENCH COMMUNITY

€1,194 exempt / €5,010–€5,369 standard

Per-year; see Pakistan exemption note above

APPLICATION FEE

~€90 (KU Leuven); varies

Confirm per institution — not all charge a separate application fee

APPLICATION DEADLINE (NON-EU)

~31 March – 1 April 2026

Typical window across institutions for 2026/27; verify per institution

PROCESSING TIME

4 weeks – 4 months

Varies significantly: KU Leuven fastest (6–8wk), Ghent slowest (3–4mo) — see Visa & Timing page

LANGUAGE

IELTS 6.0–6.5 typical

B2 English common across both communities

Visa Process & Application Timing

PROCESSING TIME BY INSTITUTION

- **KU Leuven:** 6–8 weeks (official, fastest)
- **VUB:** Up to 10 weeks (official)
- **Ghent University:** 3–4 months (official, slowest)
- **French Community Hautes Écoles** (ICHEC/EPHEC/HEPL): not officially published — plan for 2–3 months based on student-reported experience

FEE STRUCTURE — TWO COMMUNITIES

- **Flemish Community** (KU Leuven, Ghent, Antwerp, VUB, Hasselt): non-EU tuition €2,300–€9,500/year, no broad exemption
- **French Community** (UCLouvain, ULB, Liège, Namur, Saint-Louis + colleges): standard rate €1,194/year, but non-exempt non-EU students pay an added €4,175 surcharge
- **Pakistan is listed as an exempt country** under ARES Circular No. 2025-001 — confirm current-year status before quoting

COUNSELOR NOTE

The Pakistan fee exemption applies specifically to French Community institutions, not the Flemish Community — do not generalize it across all of Belgium. It is circular-based and can be revised annually, so treat it as a strong selling point to investigate case-by-case, not a guarantee to promise upfront.

Deadlines, Eligibility & Gap/Age Policy

APPLICATION DEADLINES — SPRING/AUTUMN 2027

- KU Leuven 2027–28: non-EEA deadline 1 March 2027, EEA deadline 1 June 2027.
- Howest — Pakistan-specific deadline: 1 May 2027 (non-EEA); PG Certificate non-EEA deadline 1 May 2027.
- University of Antwerp 2027–28: non-EEA content-screening deadline 28 Feb 2027, document-authenticity deadline 31 May 2027.
- Ghent University (UGent) Autumn 2027: 1 April 2027 (visa students) / 1 June 2027 (non-visa students).

GRADE & SUBJECT-MARK ELIGIBILITY

- ULB: average $\geq 13/20$ overall, plus $\geq 12/20$ in subjects directly related to the application (languages, maths, sciences).
- UMONS: average $\geq 13/20$, $\geq 12/20$ in field-oriented subjects; Management programmes additionally want $\geq 10/20$ in Maths/Statistics/Economics.
- UCLouvain: average $\geq 13/20$; Engineering applicants without a Belgian diploma may need a GRE Subject Test in Mathematics.

PAKISTAN-SPECIFIC REQUIREMENTS

- French Community institutions (ULB, UCLouvain, UMONS) charge an additional €4,175/year fee — Pakistan is listed as an exempt country under certain conditions (the flagship selling point already highlighted in the Belgium deck).
- ULB requires CESS equivalence for the Pakistani secondary qualification.
- UCLouvain charges a €200 non-EU application fee.

STUDY GAP & AGE POLICY

KU Leuven: gaps beyond 5 years only need the last 5 years explained. UCLouvain: secondary diploma must be no more than 3 years old. UMONS: no more than 3 inscriptions in the same cycle over 5 years without a diploma. No formal age ceiling; mature-admission route opens at 21 with 3+ years since secondary school.

FEE RANGE CROSS-CHECK

Public: €5,010–5,369/year (French Community) or €2,300–9,500/year (Flemish Community). Application fee: €50–200 (Ghent charges €150).

Sourced from the Sep 2026 cross-country compilation (Applications deadlines, eligibility update, Additional institutes Parts C/D, and the Gap Acceptance & Age Limitations report). Cross-check dates and thresholds directly with the institution before quoting to a client — several deadlines shown here are Pakistan-specific and differ from the general non-EU date.

Quote Carefully — Corrections & Safeguards

CORRECTIONS & SAFEGUARDS — DO NOT OVERSTATE

- The Pakistan ARES exemption applies only to French Community institutions (UCLouvain, ULB, Liège, Namur, Saint-Louis, ICHEC, EPHEC, HEPL) — Flemish Community institutions (KU Leuven, Ghent, Antwerp, VUB, Hasselt) do not offer this exemption and charge the full non-EU rate.
- Confirm exemption status directly with the institution each intake — it is based on an annual circular (2025-001) and could change.
- Processing times vary hugely by institution (6 weeks to 4 months) — never quote a single Belgium-wide timeline; always name the specific institution.
- 1 institutions in this deck have no confirmed English-taught programme list yet (Haute École de la Province de Liège) — they appear in the overview table but not the course pages.
- HEPL and similar Hautes Écoles mostly offer English-taught *semesters*, not full English-medium degrees — do not present these as equivalent to a full English-taught programme.
- Unofficial turnaround estimates come from Reddit/Discord, not official sources — flag clearly as unofficial if quoted.
