

JAN INTAKE · SEPTEMBER 2026 – JANUARY 2027

Study in Denmark

8 public universities and 10 university colleges, real English-taught program lists with official links, and a fast, well-documented visa route for Pakistani applicants.

EU / Schengen

18 Public Institutions

Tuition Applies (non-EU)

~4–8 Week Visa Timeline

English-Taught Programs

Denmark at a Glance

TUITION (NON-EU)

Applies at every institution

Typically DKK 55,000–120,000/year (roughly €7,300–€16,000), varies by program — unlike Germany, Denmark is not tuition-free for non-EU students

TUITION (EU/EEA)

No tuition fees

Full-degree EU/EEA students are exempt across all institutions listed

VISA TIMELINE (PAKISTAN)

Approx 4–8 weeks total

Danish Embassy Islamabad: ~15 days · Student residence permit (SIRI): 1–2 months, up to 3 if more info requested

APPLICATION DEADLINES

Mostly 15 Jan / 15 Mar

Non-EU bachelor's deadlines cluster in January–March for September intake — confirm per institution, they are not identical

PROCESSING TIME (UNIVERSITY DECISION)

4–8 weeks typical

Official reply for non-EU bachelor's applicants generally sent by 1 June

INSTITUTION MIX

8 Universities + 10 Colleges

University colleges (Professionshøjskoler) are applied, practice-oriented alternatives to research universities

Visa Process & Application Timing

VISA & RESIDENCE PERMIT — PAKISTAN NATIONALS

- Danish Embassy Islamabad: approx **15 days** for visa case processing
- Student residence permit (SIRI): **1–2 months** normal, up to 3 months if more information is requested
- Total realistic timeline from Pakistan: **approx 4–8 weeks**
- Danish universities generally don't publish fixed processing times — direct enquiry to the admissions office is advisable for a definitive answer on any specific case

APPLICATION TIMING

- Non-EU bachelor's deadlines: mostly **15 January** or **15 March**, institution-dependent
- Official replies for non-EU bachelor's applicants typically arrive by **1 June**
- University decision turnaround: 4–8 weeks typical once the file is complete

COUNSELOR NOTE

Unlike Germany, Denmark charges real tuition to non-EU students at every institution — do not present Denmark as a low-cost/tuition-free option. Confirm the exact figure per program before quoting, since the ranges above vary significantly by subject.

Deadlines, Eligibility & Gap/Age Policy

APPLICATION DEADLINES — SPRING/AUTUMN 2027

- DTU Spring 2027: portal opens 15 Aug 2026, non-EU deadline 15 Sep 2026, EU/EEA deadline 15 Oct 2026.
- DTU Autumn 2027: portal opens 1 Dec 2026, non-EU deadline 15 Jan 2027, EU/EEA deadline 1 Mar 2027.
- University of Copenhagen (UCPH) Autumn 2027: portal opens 15 Nov 2026, deadline 15 Jan 2027 — only an 8-week window.
- DTU note: MSc Wind Energy is paused for Spring 2027 (resumes Autumn 2027); MSc Environmental Engineering, Mechanical Engineering, and Technology Entrepreneurship are not offered with a February start.

GRADE & SUBJECT-MARK ELIGIBILITY

- University of Copenhagen: final GPA ≥ 6.0 (Danish 7-point scale); Pakistani applicants can ONLY apply through Quota 2 (a test plus interview) — this is the single route in, not an alternative.
- Aarhus University: GPA ≥ 6.0 overall and ≥ 6.0 in Mathematics A specifically; qualifying exam before 5 July.
- SDU: GPA ≥ 7.0 for Quota 1 consideration, ≥ 8.0 for guaranteed admission; Mathematics A ≥ 4.0 plus Physics B or Geoscience A.

PAKISTAN-SPECIFIC REQUIREMENTS

- UCPH: Quota 2 (test + interview) is mandatory and the only admission route for Pakistani applicants — flag this early, it changes the whole application shape.
- Visa processing for Pakistan: 4–6 weeks typical, 3 months maximum.

STUDY GAP & AGE POLICY

Danish law explicitly prohibits universities from using age as a selection criterion. Gap years are broadly accepted — Bachelor's typically up to 2–6 years, Master's 5–8 years with relevant experience. No upper age limit; minimum entry age 18 (by 1 June of the application year for non-EU/EEA citizens).

FEE RANGE CROSS-CHECK

Public: DKK 45,000–120,000/year ($\approx$ €6,000–16,000). Specialised private programmes: $\approx$ €5,000/semester. No standard application fee.

Quote Carefully — Corrections & Safeguards

CORRECTIONS & SAFEGUARDS — DO NOT OVERSTATE

- Denmark is **not** a tuition-free destination for non-EU students — every institution in this deck charges real annual tuition; do not imply otherwise.
- Deadlines shown are non-EU **bachelor's** deadlines — master's deadlines differ per program; verify before quoting.
- Course lists on the following pages are samples from the source research, not exhaustive catalogues — several institutions (UCPH, Aarhus) offer many more English-taught programs than listed; always confirm the current, complete list on the institution's own website before quoting a client.
- Several institutions' processing-time estimates are sourced from student forums, not official pages — flagged per-institution on the sources page; present these as estimates only.
- Visa/processing timelines (4–8 weeks) are typical ranges, not guarantees — case-by-case variation is normal.
