Visa Process & Application Timing

VISA & PROCESSING

- Official processing: **2–4 weeks** after complete documentation is received at most institutions
- **LSMU** offers a 72-hour preliminary document evaluation for degree studies
- Unofficial student-forum reports (Reddit/Discord) suggest 3–6 weeks once visa-related steps are included — present as an estimate only

INSTITUTION TYPES

- **Universities** (11): comprehensive research institutions — Vilnius University, KTU, VILNIUS TECH, and others
- **State Colleges / Kolegijos** (12): applied-sciences institutions, generally lower tuition, more vocational/practical programmes
- Several institutions offer Erasmus Mundus or bilateral double-degree tracks (VMU, Klaipėda University/EU-CONEXUS, MRU/Savoie Mont Blanc)

Deadlines, Eligibility & Gap/Age Policy

APPLICATION DEADLINES — SPRING/AUTUMN 2027

- Kaunas University of Technology (KTU) — Spring 2027: Round 1 by 1 Jun 2026, Round 2 by 15 Aug 2026.
- Klaipėda University — Spring 2027 deadline 1 Nov 2026, studies start February 2027.
- Kazimieras Simonavičius University — Spring 2027 deadline 15 Jul 2026 (earliest in the country).

GRADE & SUBJECT-MARK ELIGIBILITY

- OMPT (Online Multi-subject Placement Test) mandatory for Pakistan, Bangladesh, and Nepal applicants at nearly every institution.
- Thresholds vary by university: OMPT-C $\geq 55\%$ (Vilnius University), OMPT-A $\geq 75\%$ (KTU), OMPT $\geq 60\%$ (VILNIUS TECH), OMPT-A $\geq 55\%$ (Vytautas Magnus University).
- OMPT results are due by 1 April for Master's applicants and 1 May for Bachelor's applicants.

PAKISTAN-SPECIFIC REQUIREMENTS

- SKVC recognition of the Pakistani qualification is required for all non-EU applicants.
- OMPT is the single most common rejection point for Pakistani applicants who skip or under-prepare for it — flag it early in counseling.

STUDY GAP & AGE POLICY

Vilnius University caps the gap since secondary school at 5 years for non-EU/EFTA applicants (both Bachelor's and Master's). Mykolas Romeris University may require extra knowledge-evaluation tests for gaps of 3+ years. SMK College accepts gaps up to 7 years. No official age ceiling anywhere; 18–30 preferred for Bachelor's, up to 35–40 for Master's.

FEE RANGE CROSS-CHECK

Public: €2,700–10,000/year. Private: €1,300–8,500/year (ISM, LCC, EHU). Application fee: €100–150.

Sourced from the Sep 2026 cross-country compilation (Applications deadlines, eligibility update, Additional institutes Parts C/D, and the Gap Acceptance & Age Limitations report). Cross-check dates and thresholds directly with the institution before quoting to a client — several deadlines shown here are Pakistan-specific and differ from the general non-EU date.

Quote Carefully — Corrections & Safeguards

CORRECTIONS & SAFEGUARDS — DO NOT OVERSTATE

- Tuition varies enormously by field — Medicine/health and arts (LMTA) run far above the typical €3,000–€10,000/year band; always quote per-programme, not a flat country figure.
- The 2–4 week official processing estimate is a document-review time, not a full visa-issuance guarantee — always add buffer for embassy/consulate visa steps.
- 2 institutions in this deck (General Jonas Žemaitis Military Academy of Lithuania, Lithuanian University of Health Sciences) have no confirmed English-taught programme list yet — they appear in the overview table but not the course pages; do not assume no data means no programs, just not yet researched.
- Reddit/Discord turnaround estimates are unofficial — flag clearly if quoted to a client.
