Visa Process & Application Timing

PAKISTAN-SPECIFIC REQUIREMENTS

- **Matric/FA/FSc** is directly accepted for undergraduate admission — no additional equivalency test required at most public universities
- **EMGS** (Education Malaysia Global Services) visa processing is mandatory for every international student
- Public university fees: RM 8,000–18,000/year; private/foreign-branch campuses: RM 25,000–67,000/year

STUDY GAP & AGE POLICY

Private universities (Monash Malaysia, UCSI, Sunway, etc.) generally accept gaps of 3–5 years with no hard upper age limit. Minimum entry age 17 for undergraduate; postgraduate is effectively open (22+, PhD 25+, with documentation for 45+). A work-experience admission route exists for applicants aged 25–33.

COUNSELOR NOTE

Universiti Malaya (UM) is a standout option for Pakistani applicants specifically because every programme is taught fully in English with no Malay-language requirement — worth leading with for clients who want an accessible, English-medium public university.

Deadlines, Eligibility & Gap/Age Policy

Sourced from the Sep 2026 cross-country compilation (Applications deadlines, eligibility update, Additional institutes Parts C/D, and the Gap Acceptance & Age Limitations report). Cross-check dates and thresholds directly with the institution before quoting to a client — several deadlines shown here are Pakistan-specific and differ from the general non-EU date.

Quote Carefully — Corrections & Safeguards

CORRECTIONS & SAFEGUARDS — DO NOT OVERSTATE

- This deck was deliberately deferred earlier in the project and is being built now from genuinely researched source data — 8 institutions (Universiti Malaya, USM, UKM, UPM, UTM, Monash Malaysia, University of Nottingham Malaysia, Taylor's University) are deeply profiled; the remaining 36 are drawn from the national master list for breadth only.
- Foreign-branch campuses (Monash, Nottingham, Heriot-Watt, etc.) generally charge closer to their home-country fee levels — do not assume Malaysia-wide affordability applies to them.
- Course lists are the confirmed English-taught programmes found in this source, not guaranteed-exhaustive — always confirm the live list on the university's own site before quoting a client.
- Application windows vary meaningfully by institution and intake — UM's September window is a single example, not a national standard; confirm per institution.
